

SHIRT CARD INSTRUCTIONS

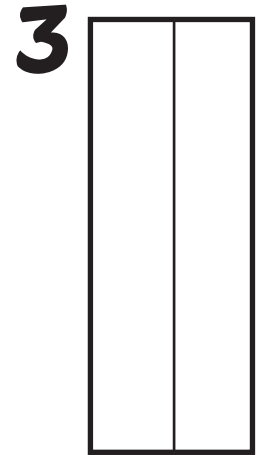

An easy Do-It-Yourself card for Father's Day!

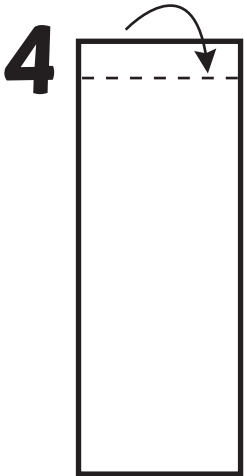

1 Start with a blank sheet of paper. 8.5"x11" will do.

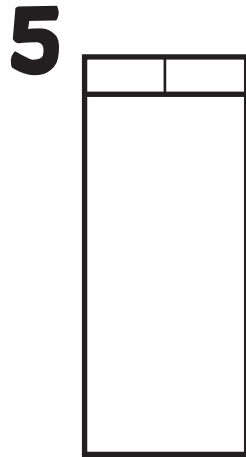

2 Fold in each side so that they meet at center line.

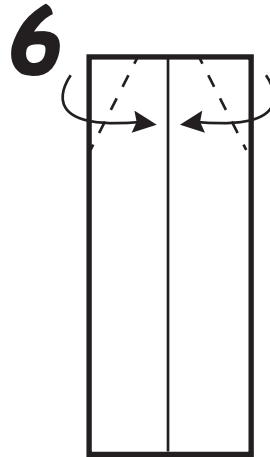

3 Paper should look like this.

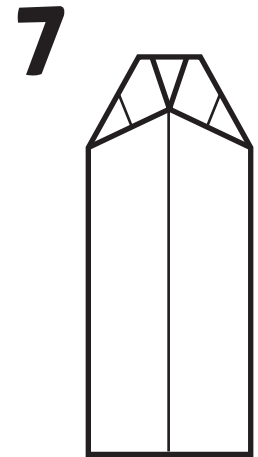

4 Turn paper over. Fold down about an inch from the top.

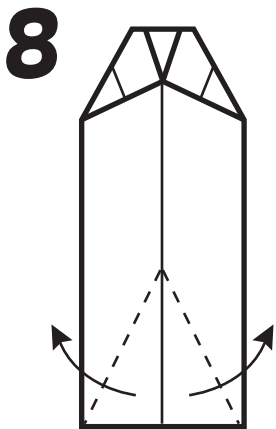

5 Paper should look like this.

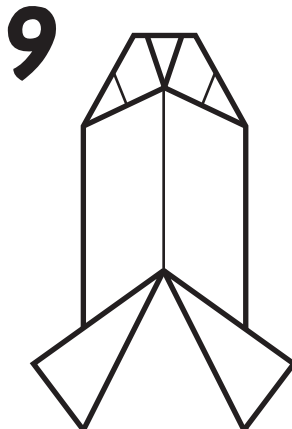

6 Turn paper over again. Fold in top corners. Each fold should be about 1/2" from center line.

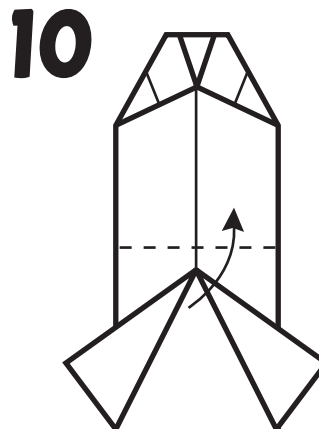

7 Paper should look like this. Top should begin to resemble a shirt collar.

8 Fold bottom corners outward so they form triangles.

9 Paper should look like this.

10 Fold paper up and tuck underneath both pointed flaps.

11 Paper should look like this. **Creative tip:** Glue photo inside card or write special message for Dad. Decorate card and you're done!
